Sub: Medical Assistance / Health Support for Ruksana – Request Letter

Respected Sir/Madam,

We, the members of SKSSF Valachil Padavu Unit, are writing this letter on behalf of Ruksana, W/o of Mohammed, residing at Valachil Padavu.

Ruksana is the resident of Valachil Padavu. She is a married woman who started severe stomach pain. She was diagnosed and admitted for stone in the uterus and womb at Father Muller Hospital. The medical treatment costed more than 3 Lakh rupees. Their financial background is very weak.

The patient is currently undergoing treatment and is in need of urgent medical assistance. The family lacks sufficient resources to bear the medical expenses. We verify that the above information is true to the best of our knowledge.

We earnestly request your esteemed office to kindly render all possible support and medical assistance to the patient and their family in this difficult time.

Thanking you,

For SKSSF VALACHIL PADAVU UNIT

President / Secretary
